

Parent minutes of meeting
Curriculum and Coffee Morning
Thursday 21 November 2024

- Mrs Foster shared a PPT presentation
- White Rose: 1-minute Maths – a free app recommended to support all aspects of early number, is used throughout the school
- We want them to love learning - give breaks. Children will mimic/enjoy doing what parents are doing but all children are different. Ask school for help to find different ways to learn.
- Post on Tapestry for teachers to see.
- We want to help with language by using proper sentences this will also help with maths.
